No there is no 3 – Mary just cut and pasted from the flint agreement and that had a #3 – we just revised them all. You will see the rewrite soon.

Am I misunderstanding the intent or isn't Brittany's 2 a subset of Mary's 3. What is the reason why the two can't be merged?

Hi Lilian-

# Ex. 5 AC/DP

There is a chance that I will not hear back from USDA today about tomorrow's meeting. If it does not occur, I recommend that we still hold that time to discuss the draft letters and just move forward.

Good afternoon all-

I spoke with Lilian this afternoon and she has asked for your review of the draft acceptance letters by Monday, so we will be ready for the Tuesday USDA meeting. In addition, she has asked me to edit the

accepted issue in the letters. Please note that I made the changes in red font as follows because I know you have already started your review.

Hi Mary & Adam-

I know you both are on travel today, but when you return can you review the draft acceptance letters for the Hawaii complaint? Kurt has reviewed and we would like both of your input before we speak with USDA next week.

Thanks!
